

Ivan Lopez

Senior Consultant

Ivan Lopez is a Senior Consultant at Quadrant Economics LLC. He has a master's in business management from Edhec Business School, France.

Mr. Lopez has more than ten years of experience assisting clients in the areas of valuation, contractual and investment disputes, economic analysis, and finance. Mr. Lopez specializes in research, analysis, and consulting in litigation matters, providing economic and financial expertise with an emphasis on valuation of businesses and economic damages in international arbitral proceedings. He has consulted on a variety of cases involving discounted cash flow (DCF) analysis, market-based valuation models, and macroeconomic analysis.

Mr. Lopez's experience includes the valuation of damages in North America, Latin America, Europe, the Middle East, and South East Asia and in various industries including oil & gas, electricity, renewable energy, banking, mining, telecommunications, transportation, and agriculture. His services have included the examination of economic damages and support to economic expert testimony in international investment and commercial arbitration proceedings under the rules of the International Centre for Settlement of Investment Disputes (ICSID), the International Chamber of Commerce (ICC), and the United Nations Commission on International Trade Law (UNCITRAL).

Mr. Lopez is a native Spanish and French speaker and is fluent in English.
