

Ivan Vazquez

Senior Consultant

Ivan Vazquez is a Senior Consultant of Quadrant Economics LLC. He has a master's degree in Applied Economics from Johns Hopkins University, a bachelor's degree in Economics and International Affairs from Georgia Institute of Technology and a Certificate in Forecasting Practice from the International Institute of Forecasters (IIF).

Mr. Vazquez has 10 years of experience in valuation, research, analysis, and consulting in International Arbitration disputes. He has analyzed high stakes and complex quantitative damages claims across a variety of industries including mining, oil and gas, telecommunications, transportation, construction, and agriculture. He has specialized in creating dynamic models involving discounted cash flow (DCF) analysis, market-based valuations, and sunk costs calculations. His valuation experience has extended across many regions, with the valuations of projects in North America, Central America, South America, Europe, the Middle East, and Southeast Asia.

He has assisted in the preparation of expert witness reports for International Chamber of Commerce (ICC), International Centre for Settlement of Investment Disputes (ICSID), the Permanent Court of Arbitration (PCA), the Stockholm Chamber of Commerce (SCC), and the United Nations Commission On International Trade Law (UNCITRAL).

Mr. Vazquez is fluent in English.
